

Alpha Sigma Gamma & Students for Social Change present:

The story of an eating disorder, loss and hope

Someday...
I'll eat breakfast.
I'll keep a job for more than 3 weeks.
I'll have a boyfriend for more than 10 days.
I'll love someone.
I'll travel wherever I want.
I'll make my family proud.
I'll make a movie that will change lives.
